

The Robert Boyle Science Festival

Waterford Institute of Technology
INSTITIÚID TEICNEOLAÍOCHTA PHORT LÁIRGE

Einstein and the Big Bang

with

Dr Cormac O Raifeartaigh, WIT

Main Auditorium

Thursday 13th November 7pm

Hear the fascinating story of how WIT's own Dr Cormac O'RaiFeartaigh and a group of colleagues made a discovery that sheds new light on Einstein's attitude towards the big bang. Dr O Raifeartaigh recently unearthed an Einstein manuscript that received worldwide attention in scientific media. Join him for a fascinating insight in Einstein's world, his theories and the greater universe.

This event is free and not ticketed.

Science Week is supported by Science Foundation Ireland and co-ordinated in the Southeast by WIT's CALMAST. Science Week focuses on different scientific themes each year; the theme of this year's festival is "The Power of Science"
